

Ella Eckersley Painter / Poet & Writer

Instagram Showreel

Ella Eckersley is a London-born painter and poet whose work is rooted in a deep sense of emotion and visual storytelling. With a striking and unconventional beauty, she has also found a place in the fashion world, modelling for iconic brands such as Chanel, Harper's Bazaar, and Maybelline. Her presence in front of the camera is simply an extension of her creative expression—blurring the lines between art, poetry, and style.

Ella is the curator and host of the monthly 'Live-in Room' at House of Koko, part of Camden's legendary Koko, a spoken-word and poetry event dedicated to amplifying emerging voices in the art world by offering a platform for up-and-coming artists to share their work.

Her artwork reflects the same bold energy and expression that defines her strong beauty. Her paintings—often rich in figurative forms, vibrant colors, and dynamic details—are deeply influenced by the fashion world, and have garnered early acclaim.

Ella's multifaceted talents and her commitment to fostering new creative talent make her a truly unique and inspiring figure in both the fashion and art scenes.
