Instagram   Showreel

Sam is an English visual artist living and working in London. His work focuses on the relationship between the natural world and metropolitan life through the use of vibrant paintings, murals and installations.

For the last five years Sam has been invited to make work for many of the of the most well known luxury and high-street brands in the UK and Europe, to weave stories and create magical evocations of their brands through his own unique lens. Claridges, Este Lauder, RIXO, and REISS - to name a few - have utilised his bold style to celebrate events such as Pride month and the festive season.

Sam also works closely with interior designers and a gallery in Marylebone, taking commissions for international projects and exhibiting throughout the year.
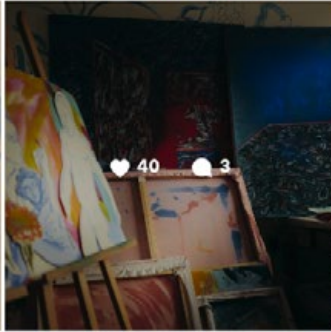

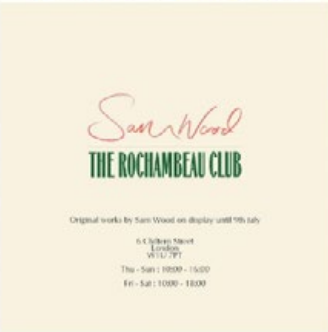

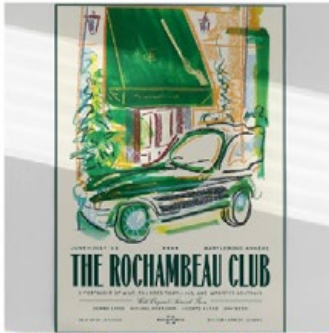

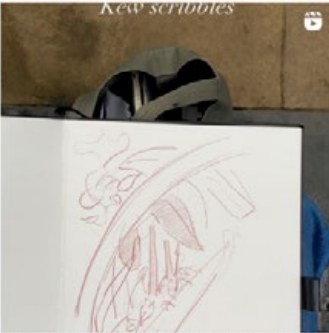

When he is not in the studio, Sam can be found in gardens and green spaces everywhere, in the capital and in an increasing number of tours which often form the basis of his solo exhibitions here in London.
