Ella Eckersley is a London-born model and artist who seamlessly blends the worlds of fashion and creativity. With an impressive portfolio that includes collaborations with iconic brands such as Chanel, Harper's Bazaar, and Maybelline, Ella has carved out a name for herself in the fashion industry.

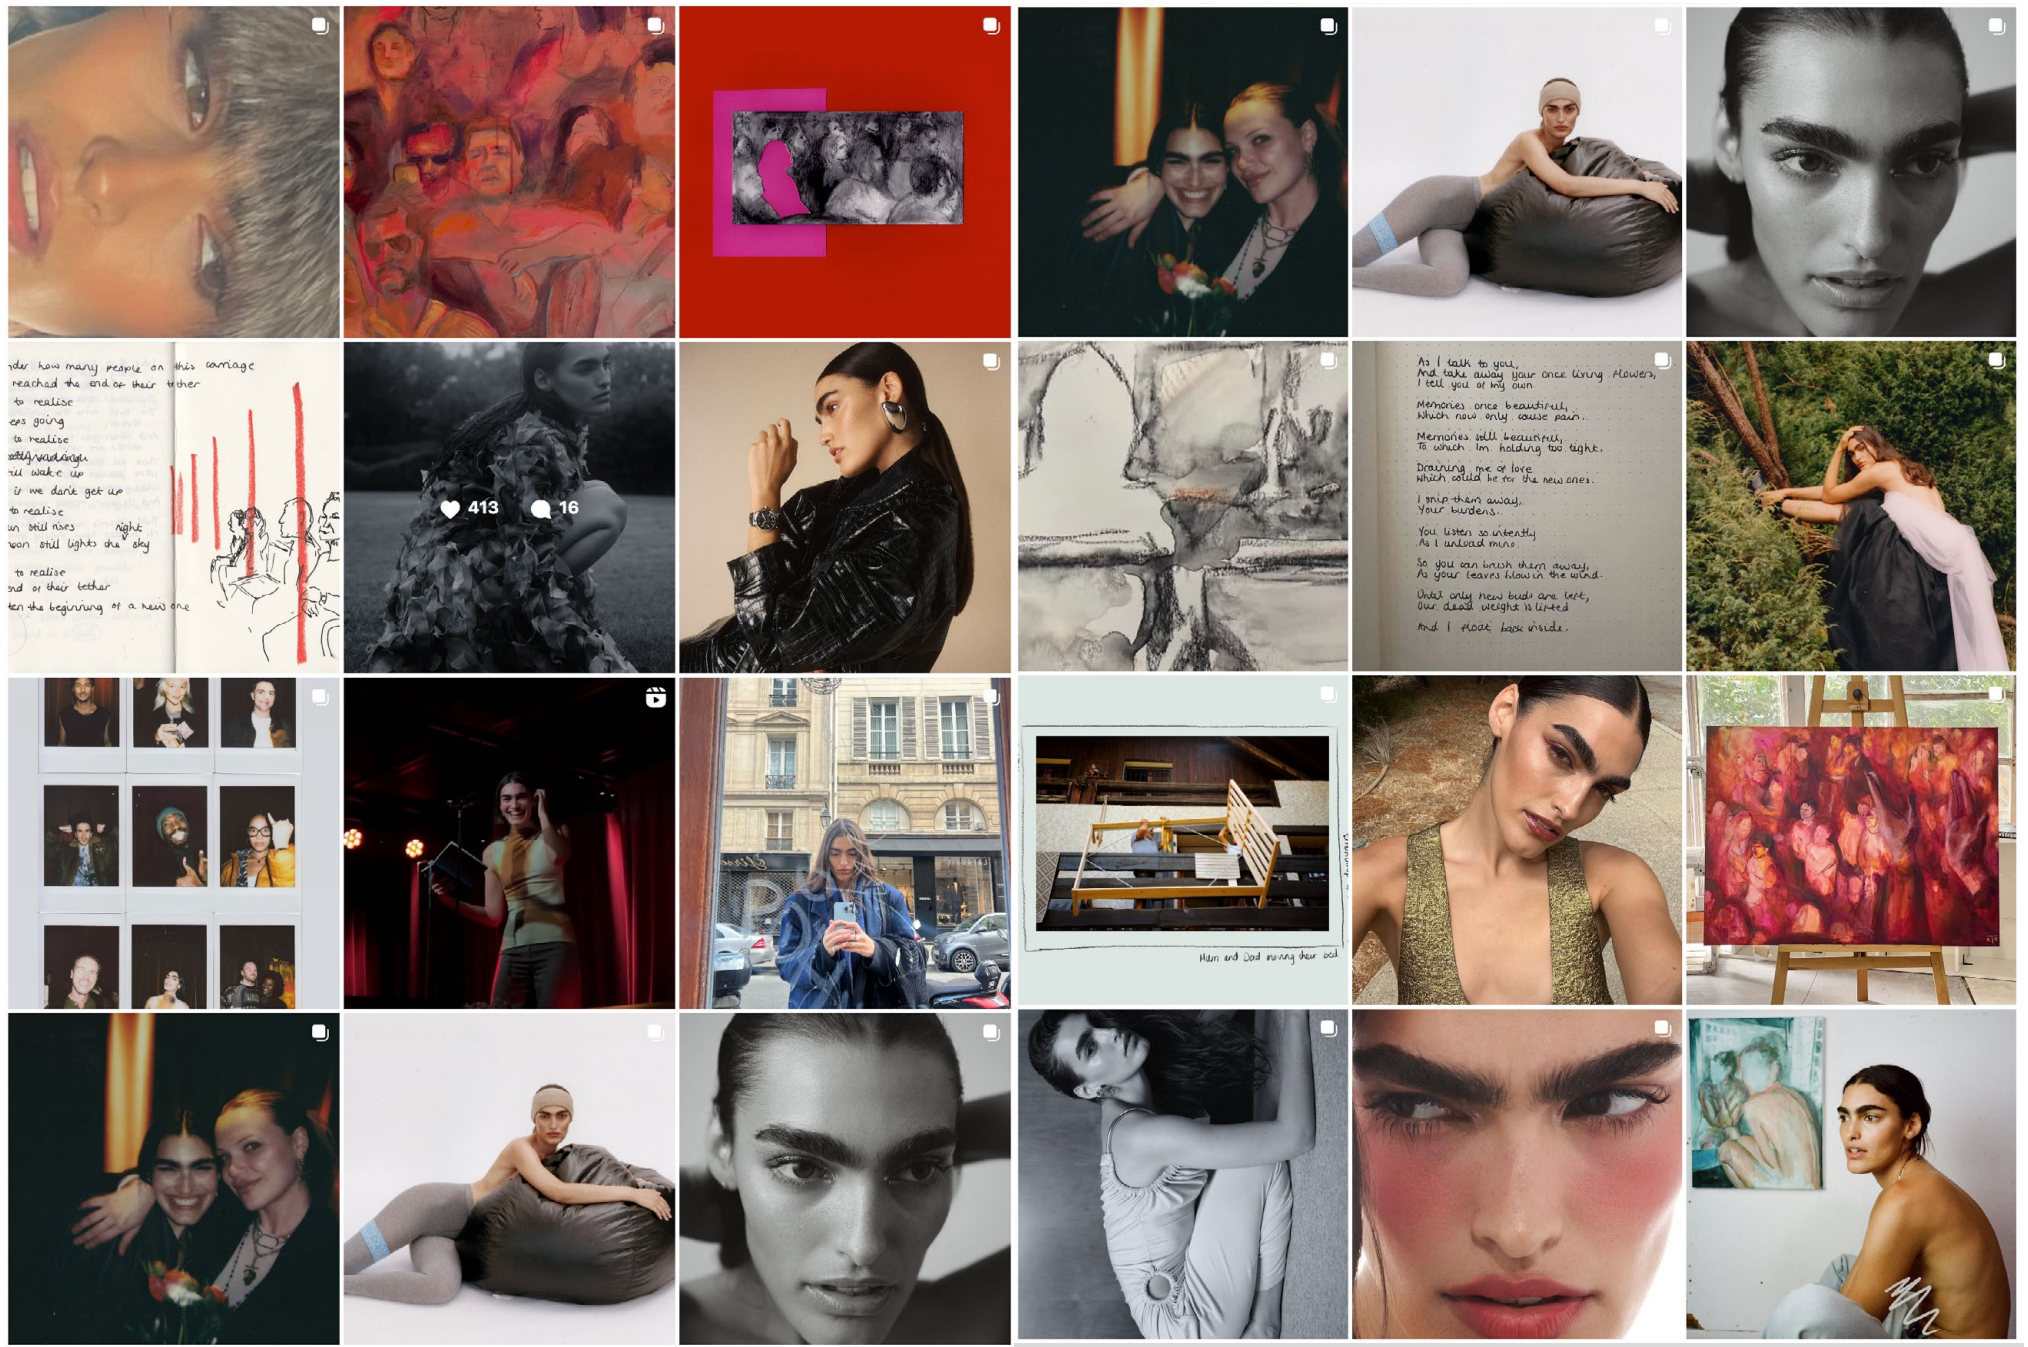

But Ella is more than just a pretty face; she's an incredibly gifted painter and poet, with her artwork reflecting the same bold energy and expression that defines her modelling career. Her paintings—often rich in figurative forms, vibrant colors, and dynamic details—are deeply influenced by the fashion world, and have garnered early acclaim.

Ella is a contributing artist for Elle Germany alongside hosting the monthly Live-in Room at Camden's legendary House of Koko, a spoken-word and poetry event dedicated to amplifying emerging voices in the art world by offering a platform for up-and-coming artists to share their work. Ella's multifaceted talents and her commitment to fostering new creative talent make her a truly unique and inspiring figure in both the fashion and art scenes.
